Crimes Against Persons detectives are continuing the investigation of the assault on three officers last Friday. Early last Friday morning, patrol officers were dispatched to 1446 N. Lee Trevino to an assault in progress. Upon arrival the officers encountered a male and female arguing in the parking lot. The female's clothing was torn, her shoes strewn apart in the parking lot along with two broken cell phones. While interviewing both parties, the male offender lunged at one of the officers, picked him up and slammed the officer onto the parking lot, knocking the officer unconscious. Two other officers at the scene arrested the offender after a brief struggle and a taser deployment to the offender. The first officer sustained a concussion, a fractured orbital, and a large hematoma to the back of the head. The female involved in the argument was uncooperative and refused to provide any information. Another female accompanying the offender interfered with the officers as they were attempting to subdue the offender. She was arrested for Interference with Public Duties. Both offenders were booked into the El Paso County Detention Facility.
